

WorkForce WF-100W

Print anywhere with the world's smallest and lightest wireless A4 inkjet printer¹ that can be charged on the go via USB.

This is the portable printer you've been waiting for. Epson's first-ever A4 portable printer is great for professionals who need to print invoices, contracts and more while working remotely. Small and light, this inkjet printer features an integrated battery, an LCD screen, Wi-Fi and Wi-Fi Direct[®] connectivity, and compatibility with Apple AirPrint², Google Cloud Print and Epson iPrint³.

Portable printing

The world's smallest and lightest wireless A4 inkjet printer¹, the WF-100W has a built-in battery that can be recharged anywhere via USB. It's small and compact, measuring just 309x154x61mm and weighing 1.6kg. Its wireless connectivity means the WF-100W cuts out all cables, allowing it to be used hassle-free both in clients' homes or in a vehicle.

Convenient

Compatible with Apple AirPrint² and Google Cloud Print for wireless printing, the WF-100W also benefits from Epson Connect. As well as the Epson iPrint³ app for wireless printing from most tablets or smartphones, Epson Connect also includes Email Print, which means you can print from anywhere in the world³.

High quality

The quality of this printer is reflected in the quality of the printouts. In fact, it is the only portable printer that uses pigment inks for all colours¹, for durable, smudge-free results.

Efficient

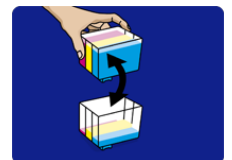

The WF-100W delivers an ISO print speed of 7ppm in black and 4ppm in colour⁴ and has an ink yield of up to 250 pages in black and 200 in colour⁵. With a 3.7cm LCD screen, it's always easy to set-up a Wi-Fi connection without the need for a PC, and to check ink supply levels.

DATASHEET

KEY FEATURES

- **Portable printing**
Lightweight, compact design
- **Rechargeable battery**
Plug into any USB port or recharge with the bundled AC adaptor
- **Wi-Fi & Wi-Fi Direct**
Print wirelessly wherever you are
- **Quality results**
Pigment inks ensure top results
- **User-friendly**
Hassle-free with simple set-up
